CLAIM LISTING

Amendments to the claims are reflected in the following listing, which replaces any and all prior versions and listings of claims in the present application:

Amendments to Claims:

- 1-3. (Canceled).
4. (Original) An apparatus for removing stains from fabrics comprising a first handle, said first handle containing a stain removal liquid and a first fabric area and a second handle coupled to said first handle, said second handle having a first pressure cartridge and a second fabric area.
5. (Original) The apparatus of claim 4, wherein said first handle further comprises a stain removal liquid exit port.
6. (Original) The apparatus of claim 4, wherein said first handle further comprises a pressure port.
7. (Original) The apparatus of claim 4, wherein said first pressure cartridge contains a positive pressure.
8. (Original) The apparatus of claim 4, wherein said first pressure cartridge contains a vacuum.
- 9-11. (Canceled).
12. (Amended) An apparatus for removing stains from fabrics comprising:
  - a first handle configured to accept a stain removal liquid;
  - a second handle pivotally coupled to said first handle and configured to provide a pressure, wherein said provided pressure is a negative pressure;

Serial No. 10/692,163

a first workpiece coupled to said first handle and having a stain removal liquid exit port; and

a second workpiece coupled to said second handle and having a stain removal liquid intake port.

13. (Original) The apparatus of claim 12, wherein when said first and second handles are compressed, said first and second workpieces are directed proximate to one another.

14. (Original) The apparatus of claim 13, wherein when said first and second workpieces are proximate to one another, said stain removal liquid exit port is proximate to said stain removal liquid intake port.

15-25. (Canceled).
